## Special Note on parking from Mrs. Im

I trust you are keeping well and enjoying our new parking lot. The following is my personal plea to all of you to ensure the students' safety as well as maintain efficient 'traffic flow'.

1. Make sure your car has the school sticker.
2. The minute you get into the barrier you are already in the parking lot so kindly maintain the speed limit of 5kph.
3. Kindly park where the parking 'lines' are indicated as the first lot is designated for the school buses. Do not park at the school buses zone.

4. **Do not park** at the roundabout at all times. This is the turning for all the cars.
5. Every car uses the roundabout to exit.
6. Adhere to the 'in and out' lines; do not park on the going out lane.
7. Do not litter at all times, kindly instruct your drivers on the same.

Please note that your children are observing you and learning road courtesy as well as rules adherence from you.

\*\*\*Any 'misbehaving notorious car' that does not adhere to the guidelines and poses a danger to the safety of the students; we shall contemplate indicating in the weekly bulletin details of the registration number and the owner. I hope you shall not get caught!!

Let us create an SON culture of being road courteous and considerate.

## SWIMMING RESULTS

Swim Africa skills gala At S.O.N was the place to be on Saturday 11<sup>th</sup> Feb. The Aga Khan Academy was well represented with about 45 swimmers. Note numbers do count. They took with them both boys and girls Team Trophies. We need more support from parents so that we have good representation in the galas. Out of the 40 swimmers initially targeted only about 20 swimmers responded to the invitation. Thanks to the parents who stood tall for us. The Following swimmers got trophies for their age groups.
